

Eurofloat Prestige Series 2HAL-S Plus

2-Horse Angle Load Float

Extended height - internal height 2250mm

Adjustable bays with telescopic dividers – 2600mm x 800mm

Tare 1800kg; ATM 3500kg (payload 1700kg)

Features:

- ✓ Break away safety unit
- ✓ Lockable swing out tack box to fit 2 saddles, plus hooks for bridles etc
- ✓ Front storage box for feed, hay etc
- ✓ 7 pin flat trailer plug – adaptors available
- ✓ Trailer ties provided for all tie-up points (inside and outside)
- ✓ Gas-lift tailgate/ramp makes for easy operation for single person
- ✓ Drop down/fly-screened windows and 3 adjustable air vents in roof to improve ventilation.
- ✓ Non slip textured rubber floor
- ✓ Wood shavings to cover floor provided to soak up manure and urine, for both safety and comfort (please advise if you prefer not to have shavings down)
- ✓ Wheel chocks, basic tools and spare tyre included

Cleaning prior to return:

- ✓ Simply clean out wet/soiled shavings before returning the float, no need to hose. If you prefer not to use shavings the float will need to be hosed out before returning.
- ✓ Please hose down the outside of the float if particularly muddy/soiled.

\$150 refundable deposit required.
